

Meet Play Love Tennis Registration Instructions for Kiawah 2024

Where do I register?

Register **online** at www.meetplaytennis.com. Click on the big pink button on the home page or the Kiawah page.

When do I register?

Registration opens at **8am on Monday, December 4, 2023, Pacific Standard Time**. Any submissions before this time will be invalidated by the system. (Be sure you are filling out the live registration for Kiawah 2024 and not some relic found somewhere in the dark recesses of the internet or your computer.)

There is space for how many teams?

There is space available for 18 teams at each session. There are two divisions – 3.5 and 4.0. That's space for a lot of teams. Even if you don't register right at 8am, space may still be available!

Which session should I register for to have the best chance of getting a spot?

Your best chance of getting into the event is to be available for either session. You double your chances of getting a spot by doing so. I can't emphasize this enough. Talk with your team about this beforehand. You will be required to pick **ONE** of these options:

- April 27 - 30 (Saturday to Tuesday) is the **ONLY** session my team can attend.
- April 27 - 30 (Saturday to Tuesday) is my team's **PREFERRED** session, but we're available to attend either.
- May 2 - 5 (Thursday to Sunday) is the **ONLY** session my team can attend.
- May 2 - 5 (Thursday to Sunday) is my team's **PREFERRED** session, but we're available to attend either.

Please do not submit two registrations for the same team. If you do, both registrations may be invalidated.

How many players do I need to register?

You will need a minimum of 7 players to register (including the captain). Long before the date of registration, start asking your tennis friends and get commitments. View the Sample Registration Document on the website (it's a PDF) to see what information is needed for Kiawah 2024. (But please don't try to register with this PDF... it is for informational purposes only!)

Do I need to have all the information at the time of registration?

All information requested on the form is required at time of registration. If you enter "TBD" anywhere, you may not get a spot. You will need a team name, and please be sure to enter the correct spelling of first and last names, and verify the accuracy of email addresses for all players, as this information is needed to communicate with players about the event and digitally process liability waivers later. Your privacy is important to us. Information is not shared.

When do I make payment for my team?

No payment is due at the time of registration. Captains will be notified within 24 hours if there is space available and payment will be due within two weeks. The captain of the team makes the initial payment for all 7 (or more) players. Players do not make payment individually. Team registration is not considered final until payment has been made in full. If payment is not received within 14 days, your spot may be given to a waitlisted team.

What is the fee? What if I want to add a player or two later?

The fee is \$325 per person with a minimum 7 players per team. Captains will be sent payment instructions via email when notified of space available. Payment can be made by Zelle (preferred), check or Venmo. Additional players can be added and paid for later and/or substitutions can be made up until one month before the event.

What if it turns out my team can't go? Can we get a refund? What if a player drops out?

Refunds will not be issued for team cancellations or given to individual team members under any circumstances. However, substitutions for team members can be made at any time. If the event is canceled by MPLT, team payment will be fully refunded.
